

Wheellaborator SmartLine HB 12/16SL-5.3-2/7.5 spinner hanger blast machine SA2133, used

manufacturer :
Wheellaborator

Product number:
SA2133

Description

Shotblasting machine

Manufacturer	Wheellaborator
Design	spinner hanger blast machine
Model	SmartLine HB 12/16SL-5.3-2/7.5
operating hours	h
Year of manufacture	2019

Shotblasting machine	
Comment	using for die casting parts
Technical data	
workpiece height	max.1.200mm
workpiece width	Ø max.600mm
workpiece weight	max.400 kg
Characteristics Turbines	
Quantity	2 pieces
Type	5.3
Number of blades	8 pieces, insertable
Blade width	65 mm
Blast media pre-acceleration	mechanical centralised by distributor wheel
Electrical power	
2 turbine drives	each 7.5 kW -> 15 kW
2 rotary hook drives	each 0.12 kW -> 0.24 kW
1 bucket elevator	-> 2.2 kW
1 filter exhauster (dry filter)	-> 3.0 kW
Total	approx. 21.0 kW
Delivery time	immediately
Price	on request
