

Induktotherm ViP 750 CR Dual-Trak induction melting furnace, used

manufacturer :
Sonstige

Product number:
O1584

Description

Furnace	Induction melting plant
Manufacturer	Induktotherm
Model	ViP 750 CR Dual-Trak
Year of manufacture	2004
Design	Steel casing furnace
Capacity	1.500 kg Aluminium
Connected value of the engines	50 kVA
Electrical power of VIP power supply	750 kW

M.F. frequency	250 Hz
Inside diameter	1.000 mm
Inside depth	1.260 mm
Bath depth	1.050 mm
Melting power	1.300 kg/h
Hydraul. crucible push-out device	available
Tipping time for total ejection	55 sec.
Cooler	with 10 fans
Transformer	
Manufacturer	Pauwels
Design	Three-phase current - oil -
	high voltage transformer
Nominal capacity	865 kVA
Comment	more technical details with foundation
	drawing on request
Delivery time	by arrangement
Price	on request

Subject to alterations and prior sale.
