

Mueller hydr. pressline 800/4x600t, single-acting, used

manufacturer :
Müller

Product number:
PR2434

Description

Press line	
	1 x hydraulical lead press
Manufacturer	Müller
Year of manufacture	1973
Force	800t / 8000kN
Design	single-acting
Ram stroke	1050mm

Table clamping surface	2500 x 1730mm
Ram clamping surface	2500 x 1730mm
Light TDC	1870mm
Controllable ram cushion	
Max. force	630kN
Stroke	150 mm
Controllable drawing cushion in table	
Drawing cushion force	2500kN
	4 x downstream presses
Manufacturer	Müller
Year of manufacture	1973
Force	630t / 6300kN
Design	single-acting
Ram stroke	900mm
Table clamping surface	2500 x 1730mm
Ram clamping surface	2500 x 1730mm
Light TDC	1600mm
Controllable ram cushion	
Max. force	630kN
Stroke	150mm
Controllable drawing cushion in table	
Drawing cushion force	2500kN
Delivery time	beginning of 2015
